

THE GOLF GAME

You are to create a simulation of a “scene” from the above sport. It is to include sounds of the actual experience. You can have announcers, players, crowd, and other sounds. Don’t forget about wind noise or ambience. Make this sound as real as possible. The length is (3 minutes). Make sure you save it with your group members FULL NAMES AND CLASS PERIOD FOR FULL CREDIT! This will be our final project for the semester.
